

Duette® with Vertiglide™ Honeycomb Shades

The perfect solution for patio doors, French doors and wide windows.

Duette® with Vertiglide™ honeycomb shades orient the fabric vertically to beautify a variety of vertical expanses.

Why Duette® with Vertiglide™?

- There are no cords, chains or wands to get in the way of children and pets, making Duette® with Vertiglide™ the perfect choice for enhanced safety at the window.
- Multiple stacking options allow you to choose the look and function that is best for your home.
- Durable Duette® fabrics are highly resistant to dust and stains for easy care and cleaning.
- Energy-efficient fabrics keep out cold on rainy days and reduce heat during hot sunny days.

When to apply Duette® with Vertiglide™:

- Ideal for large patio doors, French doors, walls of windows, even room dividers.
